We are attempting to organise an level 1 and 2 coaching course in Wollongong. At present we are gathering names and hopefully by the end of the year we will have more accredited coaches

Teams and individuals were recently acknowledged for their representative achievements for 2005 at the Lord Mayors Sports Awards. These included the Under 14, 18 and 23 women's teams and Scott and Kobi Ruzenne.

General Business

1) Current Competition

- Non financial Teams Dunrooten (\$850),
- Duty teams generally attending as scheduled
- Washed out cancellations – concern were raised over when do were cancel a round, some felt that on two nights this competition we should have cancelled due to the wet conditions. On one night it didn't commence raining until approximately 15 minutes prior to scheduled game start, and whilst the ground was firm games went ahead.

2) Computers - Paul still to finalise updating computer equipment

3) PA system - it was suggested that we look in to acquiring a public address system for the grounds.

4) NSW training camp will be held at Thomas Dalton on the 29th & 30th July

5) All school tournaments

- There are a number of schools tournaments scheduled at our grounds over the next month. Diane will open the canteen on all days and as asked for assistance.

6) Southern Suns Regionals – Wagga Wagga

- Accommodation has been organised for approximately 100 people
- Number of referees required maybe a problem
- Concern with the request for two women's opens teams
- Coaches, managers & selectors are a must for all teams.
- Trials for all teams will be scheduled for July. General email top go out to all current competition team managers

- Uniforms – a number of the ladies uniforms need replacing. Natalie & Ali to enquire about replacements, quantity and sizes.

Next Meeting Date **13th July 2006**

Meeting Closed **8.00 pm**
